Advances - Loans - Relief of indebtedness (South Kanara)

Extension of the scheme to new firkas - Proposals - submitted.

Ref: Board's Reference No.F.4853/36-24 dated 7-4-1937.

I enclose herewith a copy of the report, Ref.52/37 dated 1-9-1937, submitting proposals for the extension of the scheme for the grant of loans for the relief of indebtedness to four new firkas of this district. I agree with the Special Loans Officer and support his proposals. The scheme may as suggested by him be extended to Mudabidri and Karkal firkas of Karkal Taluk and Manjeshwar and Kumbla firkas of Kasaragod Taluk as soon as the work in the present four firkas is completed.

Letter from the Special Loans Officer, South Kanara
To The Collector of South Kanara
Mangalore - dated 1st September 1937.

Advances - Loans - Relief of indebtedness - Extension of scheme to other firkas of the district - Proposals submitted.

The special staff has worked in the present four firkas for about 4½ months now and I think there is work in them for only about a month more. I therefore propose that on the completion of the work in these firkas four more firkas may be taken up for the working of the special scheme in this district.

2. I have consulted the Tahsildars of Karkal and Kasaragod in this matter as there was a great demand for the extension of the scheme to those taluks. They have furnished me with villagewar and pattadarwar particulars of indebtedness. The figures so far received for the Moodabidri, Karkal and Manjeshwar firkas show that the ryots of those firkas are very heavily indebted and that there is every scope for the success of the scheme there. The Tahsildar of Kasaragod has promised to collect and furnish me with the statistics for Kumbla firka in about a week. I agree with the two Tahsildars and recommend that the scheme may as well be extended to the Moodabidri and Karkal firkas of Karkal Taluk and to the Manjeshwar and Kumbla firkas of Kasaragod Taluk, as soon as the work in the present four firkas is completed. The list of villages comprising each of the four firkas is enclosed.

3. The four firkas proposed for the extension of the scheme touch the firkas now being worked or already completed and are situated close to Mangalore Taluk. They are in fact, nearer than some of those completed or nearing completion. There is no difficulty for me

me to tour them without waste of time for getting rrom one firka to another. The Special Revenue Inspectors will also find it convenient to move to them in October as soon as their work in the present firkas is over. I shall submit proposals separately for their transfer as soon as the Board's orders regarding the extension of the scheme are received.
